HIS HONOUR JOHN HARVARD
Lieutenant-Governor of the Province of Manitoba
Winnipeg, Manitoba

May It Please Your Honour,

The undersigned has the honour to present the Annual Report of the Debt Retirement Fund for the year ended March 31, 2005.

Respectfully submitted,

Honourable Greg Selinger
Minister Responsible for the
Debt Retirement Fund

FUND PROFILE

The Debt Retirement Fund (Fund) was established by *The Balanced Budget, Debt Repayment and Taxpayer Accountability Act* (previously Taxpayer Protection), which received Royal Assent on November 3, 1995 and was amended in August 2000.

The original Act requires that the Government not incur a deficit in any year (subject to limited exceptions), that it gradually retire the general purpose debt of the Province, and that it not increase the rates of major taxes without prior approval of the voters of Manitoba in a referendum. The objectives of the Act were: (a) to prevent any further increase in the general purpose debt of the Province; (b) to provide for the retirement of the general purpose debt, so that the resources devoted to paying interest on the debt may be devoted instead to providing public services or reducing taxes; and (c) to ensure that there would be no increases in the rates of major taxes without the prior approval of taxpayers.

The amendments made in August 2000 added a plan to retire the Government's pension liability as well as the general purpose debt. In addition, the Government is now precluded from using the proceeds from the sale of crown corporations to balance the budget or bolster the Fiscal Stabilization Fund.

The Fund is a mechanism for retiring the accumulated debt and pension liability. A formula in the Act specifies the minimum amount that must be deposited into the Fund each year. This minimum deposit requirement increases as the debt is reduced. The Minister of Finance may deposit a larger amount in any year. The assets of the Fund are on deposit with the Minister of Finance. The funds are invested and accorded market rates of interest.

The amendment to the Act requires that at minimum, the Province must, from the annual deposits to the Fund, set aside for pension obligations an amount equal to pension contributions made by employees and teachers hired on or after April 1, 2000.

All money deposited in the Fund, along with any interest earned, can only be used to reduce the pension liability and general purpose debt of the Province. The amounts to be contributed to each of pensions and debt are determined annually by a Debt Retirement Fund Allocation Committee appointed under the Act by the Lieutenant-Governor in Council.

Funds allocated for pension purposes are transferred out annually. Those designated for debt retirement are transferred to the Operating Fund to retire debt as appropriate or at minimum every five years.

2004-2005 ACTIVITIES

A payment of $99 million was made into the Fund in 2004-2005.

In accordance with the allocation as determined by the Debt Retirement Fund Allocation Committee, $79 million which includes $2 million in interest was transferred out for pension liability purposes.

In accordance with subsection 8 (6) of *The Balanced budget, Debt Repayment and Taxpayer Accountability Act*, which requires the balance in the Debt Retirement Fund to be transferred to the Operating Fund at least once every 5 years for the purpose of reducing general purpose debt, the Government transferred $202 million from the Debt Retirement Fund to the Operating Fund on April 14, 2004. This transfer comprised the fund balance of $180 million as at March 31, 2004 plus the 2004/05 net transfer in of $22 million including interest earned to the date of transfer.

MANAGEMENT REPORT

The accompanying financial statements are the responsibility of management of the Department of Finance and have been prepared in accordance with Canadian generally accepted accounting principles. These accounting principles have been applied on a basis consistent with that of the preceding year. In management's opinion, the financial statements have been properly prepared with reasonable limits of materiality, incorporating management's best judgment regarding estimates and other data available up to August 19, 2005.

Management maintains internal controls to provide reasonable assurance of the reliability and accuracy of the financial information and to properly safeguard assets of the Fund.

The responsibility of the Auditor General is to express an independent, professional opinion on whether the financial statements are fairly presented in accordance with Canadian generally accepted accounting principles. The Auditor's Report outlines the scope of the audit examination and provides the audit opinion.

AUDITOR'S REPORT

To the Legislative Assembly of Manitoba

I have audited the statement of financial position of the Debt Retirement Fund as at March 31, 2005 and the statement of revenue and fund balance for the year then ended. These financial statements are the responsibility of the Fund's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Fund as at March 31, 2005 and the results of its operations and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.
